Unified Carrier Registration Information

WHAT IS IT?

The Unified Carrier Registration Program, or UCR Program, is a federally-mandated, annual state-administered registration program where states collect fees from motor carriers, motor private carriers, freight forwarders, brokers, and leasing companies in the United States, Canada, and Mexico to register and submit an annual filing, based on the number of qualifying commercial motor vehicles (CMVs) in their fleets.

WHEN IS IT DUE?

The registration year runs from January 1 to December 31, and the renewal period for the 2015 registration year opens in October and is due no later than December 31, 2014.

WHAT ARE THE FEES USED FOR?

The revenues generated from the fees are to be used for enforcement of motor carrier safety programs.

Contact TSNAmerica to handle your UCR filing for you.

BOC-3 PROCESS AGENTS

THE BOC-3 IS USED TO DESIGNATE PROCESS AGENTS (ALSO KNOWN AS BOC-3 AGENTS) IN ALL 50 STATES in which the business operates. It is required by all motor carriers, brokers and freight forwarders to obtain their own operating authority and must be kept on file with the Federal Motor Safety Carrier Administration (FMCSA) at all times. A BOC-3 agent is a designated person or office that accepts legal documents on your behalf.

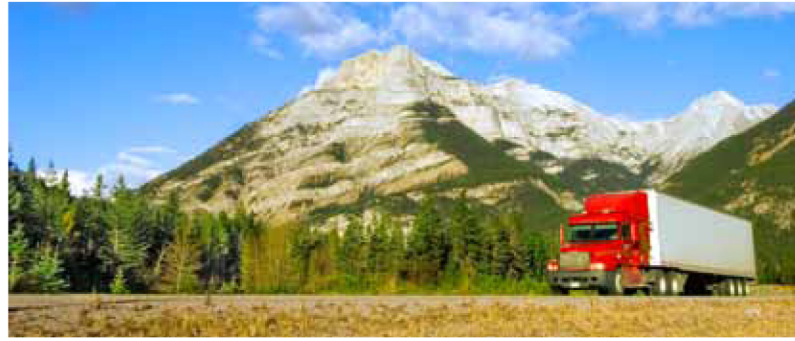

TSNAmerica is an FMCSA Registered Blanket Agent. With our Blanket Agent Service, we file a current BOC-3 form with the FMCSA directly. Same day service, no third party involvement, which means the filings are done immediately. We are not a low-cost, one-time filing service; instead we stay with you every step of the way, from establishing your authority to keeping you up to date and current.

Our agents are experienced attorneys within the transportation industry, many of them members of the Transportation Lawyers Association, providing a great resource for both us and our BOC-3 clients. Our attorneys have vast experience in all aspects of the transportation community and are more than willing to assist with any legal matters upon retainer.

Our blanket agent service includes:

- Blanket Coverage of Process Agents in all 50 states
- Free Immediate Electronic Filings
- Free Notification When Authority Becomes Active
- Free Agent Contact Information Updates
- Free notices served - no additional fees
- Free USDOT updates for 1 year*
- Free FMCSA phone number and address changes
- Free notification of occurrences that could cause authority revocation

SAFETY TIP: The posted speed limits on curve warning signs and entrance/exit ramps are intended for "four wheelers", not rigs! Studies show that large trucks often lose control while following those posted speeds because of their high center of gravity. Be sure to know your limits and maintain a proper speed - often much lower than the ones posted.
